INVITATION FOR BIDS (IFB) GENERAL TERMS AND CONDITIONS

1. PREPARATION, SUBMISSION AND WITHDRAWAL OF BIDS

A. Bids must be submitted on the forms furnished or copies thereof, and must be manually signed. If erasures or other changes appear on the forms, each erasure or change must be initialed by the person signing the bid. Bids may not be submitted by FAX or other facsimile transmittal.

B. Mailed or hand-delivered bids must be submitted in a sealed envelope showing the solicitation number on the outside of the envelope and must be addressed to Town of James Island, 2138-B Camp Road, James Island, SC 29412. Each sealed envelope containing a bid shall be marked on the outside with the Bidder's complete name, address, bid number, description of services requested by IFB (i.e., Elevator Maintenance, Road Construction), along with the due date and time. Failure to do so may result in premature opening of, or a failure to open, such bid.

C. **Bids submitted after the "Opening" date and time are considered "Late Bids". "Late Bids" will not be opened or considered.**

D. Bids may be withdrawn by written request received from the Bidder prior to the time set for opening of bid, but not thereafter.

E. Bidders shall promptly notify the Town of James Island, in writing, and no later than the last date and time for the submittal of written questions, of any ambiguity, inconsistency or error which they may discover upon examination of the IFB documents or the project premises and local conditions.

F. Bidders requiring clarification or interpretation of the IFB documents shall make a written request which must be received at Town Hall no later than the last date and time for submittal of written questions.

G. Any interpretation, correction or change of the IFB documents will be made by addendum. It is your responsibility to monitor the website at www.jamesislandsc.us for any additional information, revisions, or addenda that may be posted.

H. No substitutions will be considered after the Contract award except by amendment or change order.

I. Failure to submit a bid on the form requested or inclusion of any alternates, unit prices, conditions, limitations or provisions not called for, will render the bid irregular; and shall be considered sufficient cause for rejection of a bid. Failure to complete entries in all blanks on the Bid Form shall be considered cause for rejection of a bid.

J. The Town seeks a single, qualified company to be responsible for completion of the work (hereinafter "Work") described herein (although the Town reserves the option to award portions of the project to multiple bidders if such is to the advantage of the Town). Therefore, any one bid submitted by more than one company will be deemed to be a proposal for a joint venture between or among the companies so bidding unless the bid clearly and unequivocally describes that only one firm proposes to act as principal and the other firm(s) contractual position is clearly defined. The companies submitting as a joint venture will be held jointly and severally responsible for the entire project and will not be permitted to limit their liability to the Town.

K. The following are included in the Bid Package:

Attachment A: Special Instructions/Terms and Conditions

Attachment B: Scope of Work/Specifications

Attachment C: Sample Contract

Attachment D: Sample Forms

Attachment E: Required Forms

2. NON-COLLUSION OATH

Every bid must be accompanied by a notarized affidavit of non-collusion, executed by the Bidder or in the case of a corporation, by a duly authorized representative of said corporation. The Non-Collusion Oath is provided herein.

3. BIDDER REPRESENTATIONS

Each Bidder by submitting a bid represents that:

A. The Bidder has read and understands this IFB (including all specifications and attachments) and that their bid is made in accordance therewith.

B. The Bidder has reviewed the IFB, has become familiar with the local conditions under which the Work is to be performed, and has correlated personal observations with the requirements of the proposed Contract Documents.

C. The bid is based on the terms, materials, systems and equipment required by this IFB, without exception.

D. The Bidder is qualified to provide the services and equipment required under this IFB and, if awarded the Contract, will do so in a professional, timely manner using Bidder's best skill and attention.

4. AWARD OF CONTRACT

A. Award of Contract will be made to the lowest responsive and responsible Bidder(s) whose bid, conforming to the IFB, is most advantageous to the Town, price and other factors considered.

B. The Town reserves the right to 1) reject any or all bids and any part of a bid; 2) waive informalities, technical defects, and minor irregularities in bids received; and 3) award the bid(s) received on the basis of individual items or groups of items or the entire list of items.

C. The Town shall be the sole judge of the suitability of the items or services to be provided pursuant to this IFB.

1. NOTICE OF AWARD OF CONTRACT

The successful Bidder will be notified of acceptance of bid by a written Notice of Award of contract. The successful Bidder shall not undertake any work, and the Town will not be responsible for payment for any work whatsoever undertaken by successful Bidder prior to issuance of the Notice to Proceed.

Prior to executing a Contract, the successful Bidder must provide proof to the Town of:

- SCDOT Certification for the asphalt plant that will be utilized for the Project.

The successful Bidder shall be required to submit acceptable Insurance Certificate(s) and Endorsement(s) within Five (5) Business Days after the issuance of the Notice of Award.

2. CONTRACT DOCUMENT

The successful Bidder shall be required to execute a formal contract within Five (5) Business Days after issuance of a Notice of Award. Said Contract shall be virtually identical in substance and form to the Contract which is attached and marked Attachment C, Sample Contract. The only anticipated changes in Attachment C, Sample Contract, will be to include additional exhibits, to fill in the blanks to identify the successful Bidder, and terms relating to compensation, or to revise the contract to accommodate corrections, changes in the scope of work, or changes pursuant to addenda issued prior to the bid opening. **Bidders should raise any questions regarding the terms of the Contract, or submit requested changes in said terms, in the form of written questions or submittals, subject to the deadline for questions.** Because the signed contract will be substantively and substantially derived from Attachment C, Sample Contract, Bidder is urged to seek independent legal counsel as to any questions about the terms, conditions or provisions contained in Attachment C, Sample Contract, before submitting a bid. Again, Attachment C, Sample Contract, contains important legal provisions and is considered part and parcel of this IFB. Failure or refusal to sign aforesaid Contract shall be grounds for the Town to revoke any Notice of Award which has been issued, forfeit bid security, and award the Contract to another Bidder.

7. MODIFICATION

The Town has defined this section in the Sample Contract under Section Twenty-Two.

8. NOTICE TO PROCEED

A Notice to Proceed will be issued after the successful Bidder has executed the Contract and has submitted acceptable performance and payment bonds (if applicable) to the Town as well as other submittals specified herein as required to be delivered before the Notice to Proceed is issued.

The successful Bidder shall not deliver any equipment to the work site or commence work until the successful Bidder has received a written Notice to Proceed from the Town Administrator.

9. BIDDER'S QUALIFICATIONS

Before a bid is considered for award, the Bidder may be requested by the Town to submit a statement providing additional information regarding their previous experience in performing comparable work.

10. SUBCONTRACTORS

A. If any subcontractors will be used for this project, the successful Bidder shall provide to the Town Administrator a list of names of any of the intended subcontractors, the subcontractor's applicable

license number(s), and a description of the work to be done by each subcontractor on the Subcontractor Data Report Form included in the Attachment E, Required Forms.

B. The successful Bidder shall not substitute other subcontractors without the written consent of the Town Administrator.

C. The successful Bidder shall be responsible for all services performed by a subcontractor as though they had been performed by the successful Bidder. Responsibilities include, but are not limited to, compliance with any applicable licensing regulations.

D. If at any time the Town Administrator determines that any subcontractor is incompetent or undesirable, the Administrator shall notify the successful Bidder accordingly, and the successful Bidder shall take immediate steps for cancellation of the subcontract and replacement.

E. Nothing contained in any contract resulting from this IFB shall create any contractual relationship between any subcontractor and the Town.

F. It shall be the successful Bidder's responsibility to ensure that all terms required in the attached Contract are incorporated into all subcontracts.

G. No Bidder or subcontractor who participated in the development of project plans or specifications will be permitted to perform work under this Contract. Participants that are excluded from performing work under this contract are listed in the attachments.

11. INDEMNIFICATION

The Town has defined this section in the Sample Contract under Section Twenty-Four.

12. TERMINATION

The Town has defined this section in the Sample Contract under Section Twenty-Three.

13. DRUG-FREE WORKPLACE ACT

Successful Bidder shall comply with the South Carolina Drug-free Workplace Act, Section 44-107-10 et seq., S.C. Code of Laws (1976, as amended). The Town requires all successful Bidders executing contracts for a stated or estimated value of \$50,000 or more to sign a Drug-free Workplace Certification form prior to the issuance of the Notice to Proceed.

14. STATE AND LOCAL TAXES

Except as otherwise provided, Contract prices shall include all applicable state and local taxes.

The successful Bidder shall calculate that portion of the Contract which is subject to the eight and one half percent (8.5%) South Carolina sales and/or use tax, which amount shall be itemized and shown on all invoices, and shall be paid to the SCDOR by Contractor. If the successful Bidder is a non-South Carolina company, the Town will withhold said amount from all invoices and remit payment to the SCDOR, unless

the successful Bidder furnishes the Town with a valid South Carolina Use Tax Registration Certificate Number.

The successful Bidder shall indemnify and hold harmless the Town for any loss, cost, or expense incurred by, levied upon or billed to the Town as a result of the successful Bidder's failure to pay any tax of any type due in connection with this Contract.

The successful Bidder shall ensure that the above sections are included in all subcontracts and sub-subcontracts, and shall ensure withholding on out of state sub and sub-subcontractors to which withholding is applicable.

15. INSURANCE REQUIREMENTS

The successful Bidder, at its own expense, shall at all times during the term of the Contract, maintain insurance as required herein (see Sample Forms) and previously incorporated by reference. The Town shall not execute the Contract until the successful Bidder has submitted acceptable Insurance Certificate(s) and Endorsement(s), which must be submitted within Five (5) Business Days of receipt of the Notice of Award, and which reflect that the required coverages are in place and that all premiums have been paid. Refusal or failure to submit such Insurance Certificate(s) and Endorsement(s) shall constitute grounds for the Town to revoke its Notice of Award, forfeit bid security, and award the Contract to another successful Bidder. The Town may contact the successful Bidder's insurer(s) or insurer(s)' agent(s) directly at any time regarding the successful Bidder's coverages, coverage amounts, or other such relevant and reasonable issues related to this Contract. The successful Bidder shall also require any sub-contractors to carry the same coverages in the same amounts.

Faxed Insurance Certificate(s) and Endorsement(s) will be accepted if received no later than the time of contract execution and the original documents are received within one (1) business day after receipt of the fax transmittals.

The Town must be advised immediately of any changes in required coverages.

Contract Price: Payment Terms

A. The Contractor is to perform the Work beginning on the Commencement Date until the termination of this Contract for the total, all inclusive price not to exceed Dollars (\$). Actual payments will be based on verified quantities actually incorporated in the Work as priced in Contractor’s Bid.

B. The Contractor shall submit monthly invoices itemizing all labor and materials for which payment is requested. Subject to approval of the invoice by the Town, the Town shall pay Contractor for the performance of the Work, including all labor and items necessary to accomplish and complete the Work, in accordance with all terms and conditions as stated in the Contract Documents, on the following basis:

The Contractor shall submit invoices in the format that will be provided by the Town at the pre-construction meeting. Failure to follow the format may result in payment delays.

All invoices will be processed by the Town once a month. All partial payments will be based upon the Contractor's invoices, approved by the Project Manager, for the Work performed and materials completely in place in accordance with the Contract and to the satisfaction of the Project Manager. From the total of the amounts so ascertained, ninety percent (90%) shall be paid to the Contractor and ten percent (10%) shall be retained by the Town until after the completion of all the Work to the satisfaction of the Town. No claim shall be made by the Contractor for any loss of anticipated profits because of any such alteration, or by reason of any variation between the approximate quantities and the quantities of work as done. If the altered or added work is of sufficient magnitude as to require additional time in which to complete the Project, such time adjustment will be made at the determination of the Town.

E. No claim by the Contractor for any adjustment under this Contract shall be allowed if asserted after Final Payment under this Contract.

F. When the Town requires substantiating information, the Contractor shall submit data justifying dollar amounts in question.

SECTION FIVE

Time

The Contractor agrees to punctually and diligently perform all parts of the Work at the time scheduled by the Contractor which shall be subject to change by the Town as deemed necessary or convenient to the overall progress of the Project. In this connection, the Contractor agrees that the Contractor will keep itself continually informed of the progress of the job and will, upon its own initiative, confer with the Town so as to plan its work in coordinated sequence with the Work of the Town and of others and so as to be able to expeditiously undertake and perform the Work at the time most beneficial to the entire Project. The Contractor will be liable for any loss, costs, or damages sustained by the Town for delays in performing the Work hereunder, other than excusable delays for which the Contractor shall be granted an extension of time. If, in the reasonable opinion of the Town, the Contractor is not complying with the progress schedule or will not meet the completion date, the Town may require the Contractor to provide additional manpower, or work overtime, or expedite materials, and the Contractor shall take the necessary steps to comply, all without increase in Contract Price.

If the Contractor is delayed at any time in the progress of the Work by any act or neglect of the Town, or by any separate contractor employed by the Town, or by changes in the Work, or by labor disputes, fire, unusual delay in transportation, unusually severe weather conditions, unavoidable casualties, delays

specifically authorized by the Town, or by causes beyond the Contractor's control, avoidance, or mitigation, and without the fault or negligence of the Contractor and/or subcontractor or supplier at any tier, then the Contract time shall be extended by change order for such reasonable time, if any, as the Town may determine that such event has delayed the progress of the Work or overall completion of the Work, if the Contractor complies with the notice and documentation requirements set forth below.

Any claim for extension of time, except as provided for below with regard to rain delays, shall be made in writing to the Town, not more than five (5) calendar days from the beginning of the delay. The notice shall indicate the cause of the delay upon the progress of Work. If the cause of the delay is continuing, the Contractor must give written notice every week to the Town. Within five (5) calendar days after the elimination of any such delay, the Contractor shall submit further documentation of the delay and a formal change order request for an extension of time for such delay.

The written request for a time extension shall state the cause of the delay, the number of days' extension requested, and such analysis and other documentation to demonstrate a delay in the progress of the Work or the overall Project completion. If the Contractor does not comply with the above notice and documentation requirements, the claim for the delay shall be waived by the Contractor.

Extensions of time shall be the Contractor's sole remedy for any and all delays, hindrances, or obstructions. No payment or compensation of any kind shall be made to the Contractor for damages because of hindrance or obstruction in the orderly progress of the Work or delay from any cause in the progress of the Work, whether such hindrances or delays be avoidable or unavoidable. The Contractor expressly agrees not to make, and hereby waives any claim for damages on account of any delay, obstruction, or hindrance for any cause whatsoever, including but not limited to the aforesaid cause and agrees that the Contractor's sole right and remedy in the case of any delay, obstruction, or hindrance, shall be an extension of the time fixed for completion of the Contract. Without limitation, the Town's exercise of its rights under the changes clause, regardless of the extent or number of such changes, shall not under any circumstances be construed as compensable, other than through an extension of time, it being acknowledged that the Contract amount includes and anticipates any and all delays, hindrances, or obstructions whatsoever from any cause, whether such be avoidable or unavoidable.

Weather delays are generally referred to as "rain days," and shall apply to days when the Work cannot be undertaken due to adverse weather conditions. Time for hot, cold, and/or windy conditions have been allowed for in the allocated date of completion. An average number of rain days are included in the completion date determination. This was determined by the following method:

Using the National Oceanic and Atmospheric Administration (NOAA) monthly reports, all days in each month in which rainfall in any part of the day exceeded .10 inch has been calculated and averaged. These averages are as follows:

Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
10	7	6	6	9	14	14	17	11	8	6	10

Rain delays, therefore, will only be considered when the number of days in any month in which rainfall, as recorded by the weather bureau as .10 inch or greater, exceeds the number of days shown. Notwithstanding the days shown on the monthly report, time extensions for rain days will only be considered based upon actual conditions at the Project Site. If, in the opinion of the Contractor, adverse weather causes unsuitable

conditions that prevent the Contractor from proceeding with the Work at any time during the term of this Contract, the Contractor shall submit written notification to the Town's Representative within twenty-four (24) hours of the onset of said conditions. Notwithstanding the requirements of Section 18, the Contractor shall make a claim for time extension due to rain delays within five (5) calendar days of issuance of the NOAA monthly report.

SECTION SIX
Insurance Requirements

The Contractor, at its own expense, shall at all times during the term of the Contract, maintain insurance as included in Exhibit A, Insurance Certificate(s) and Endorsement(s), which is attached hereto and previously incorporated by reference. The Town may contact the Contractor's insurer(s) or insurer(s)' agent(s) directly at any time regarding the Contractor's coverage, coverage amounts, or other such relevant and reasonable issues related to this Contract. The Contractor shall also require any subcontractors to carry the same coverage in the same amounts.

The Town must be advised immediately of any changes in required coverage.

SECTION SEVEN
Payment and Performance Security

The Contractor shall provide and maintain payment and performance bonds in the amount of _____ (\$_____), inclusive of change order.

SECTION EIGHT
Compliance with Legal Requirements

All applicable federal, state and local laws, ordinances, and rules and regulations of any authorities (including, but not limited to, any laws, ordinances or regulations relating to the S.C. Department of Revenue or the S.C. Board of Contractors) shall be binding upon the Contractor throughout the pendency of this Work. The Contractor shall be responsible for compliance with any such law, ordinance, rule or regulation, and shall hold the Town harmless and indemnify same in the event of non-compliance as set forth in the Contract.

By signing a bid, the Contractor certifies that it will comply with the applicable requirements of Title 8, Chapter 14 of South Carolina Code of Laws (1976, as amended), and agrees to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to the Contractor and its subcontractors or sub-subcontractors; or (b) that the Contractor and its subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14.

Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the Court or imprisoned for not more than five years, or both."

The Contractor agrees to include in any contracts with subcontractors, language requiring subcontractors to (a) comply with applicable requirements of Title 8, Chapter 14, and (b) include in its contracts with the sub-contractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14.

The Contractor agrees to and shall certify agreement to abide by the requirements under Title VI of the Civil Rights Act of 1964, and other non-discrimination authorities under Federal Executive Order Number 11246, as amended, and specifically the provisions of the equal opportunity clause.

Contractor warrants and represents that it shall be responsible for all subcontractors working directly for it, as well as for their Work product, as though Contractor had performed the Work itself.

A. All equipment, materials and articles incorporated in the Work covered by the Contract and supplied by the Contractor are to meet the SCDOT Standard Specifications, unless otherwise stated herein. Unless otherwise specifically provided in this Contract, reference to any equipment, material, article or patented process, by trade name, make or catalog number, shall not be construed as limiting competition. When requested, the Contractor shall furnish to the Administrator, for approval the name of the manufacturer, the model number, and other identifying data and information respecting the performance, capacity, nature and rating of the machinery and mechanical and other equipment that the Contractor contemplates incorporating in the Work. When required by this Contract or when called for by the Administrator, the Contractor shall provide full information concerning the material or articles which he contemplates incorporating in the Work. When so directed, samples shall be submitted for approval at the Contractor's expense, with all shipping charges prepaid. Machinery, equipment, material and articles installed or used without the required prior approval of the Town shall be at the risk of subsequent rejection by the Town.

B. Any and all manufacturers' warranties on any equipment or materials will be passed on to the Town and copies of said warranties will be furnished by the Contractor to the Town upon completion and final acceptance of the Project.

C. The Town Administrator may, in writing, require the Contractor to remove from the Work Site any employee the Town deems incompetent, careless or otherwise objectionable.

D. In addition to any manufacturer's warranties, all workmanship and materials are warranted to be free from defects for a period of twenty-four (24) months after the date of Final Payment by the Town.

SECTION ELEVEN
Retention of Records

The Contractor agrees to maintain for three (3) years from the date of Final Payment, or until the end of any audit or closure of all pending matters under this Contract, whichever is later, all books, documents, papers, and records pertinent to this Contract. The Contractor agrees to provide to the Town, any federal grantor agency, the Comptroller General of the United States, any state grantor agency, any assignee, or any of their duly authorized representatives access to such books, documents, papers, and records for the purpose of examining, auditing, and copying them. The Contractor further agrees to include these provisions in any subcontracts issued in connection with this Contract.

SECTION TWELVE
State and Local Taxes

Except as otherwise provided, Contract prices shall include all applicable state and local taxes.

The Contractor shall calculate that portion of the Contract that is subject to the eight and one half percent (8.5%) South Carolina sales and/or use tax, which amount shall be itemized and shown on all invoices, and shall be paid to the SCDOR by the Contractor. If the Contractor is a non-South Carolina company, the Town will withhold said amount from all invoices and remit payment to the SCDOR, unless Contractor furnishes the Town with a valid South Carolina Use Tax Registration Certificate Number.

The Contractor shall indemnify and hold harmless the Town for any loss, cost, or expense incurred by, levied upon or billed to the Town as a result of the Contractor's failure to pay any tax of any type due in connection with this Contract.

The Contractor shall ensure that the above sections are included in all subcontracts and sub-subcontract and shall ensure withholding on out of state sub and sub-subcontractors to which withholding is applicable.

SECTION THIRTEEN
Independent Contractor

The Contractor is an independent contractor and shall not be deemed the agent or employee of the Town for any purpose whatsoever. The Contractor shall not hold himself out as an employee of the Town, and shall have no power or authority to bind or obligate the Town in any manner, except the Town shall make payment to the Contractor for Work and expenses as herein provided. The Contractor shall obtain and maintain all licenses and permits required by law for performance of this Contract by him or his employees, agents, and servants. No employee benefits of any kind shall be paid by the Town to or for the benefit of the Contractor or its employees, agents, or servants by reason of this Contract.

SECTION FOURTEEN
Inspection and Acceptance, No-Claim Affidavits

- A. All Work (which term includes, but is not restricted to materials, workmanship, manufacture and fabrication of components) shall be subject to inspection and test by the Town and/or SCDOT at all reasonable times and places prior to acceptance. Any such inspection and test is for the sole benefit of the Town and/or SCDOT and shall not relieve the Contractor of the responsibility of providing quality supplies to comply with the Contract requirements. No inspection or test by the Town and/or SCDOT shall be construed as constituting or implying acceptance of Work. Inspection or test shall not relieve the Contractor of the responsibility for damage to or loss of the material prior to acceptance, nor in any way affect the continuing rights (including warranty rights) of the Town and/or SCDOT after acceptance of the completed Work. The Contractor shall conduct and pay for all tests required in the Scope of Work.
- B. The Contractor shall, without charge, replace any material or correct any workmanship found by the Town not to conform to the Contract requirements, unless the Town consents in writing to accept such material and workmanship with an appropriate adjustment in Contract Price. The Town shall promptly remove rejected material from the premises.
- C. Upon completion and acceptance of all Work, the Contractor shall provide the Project Manager with written affidavits. Such affidavits shall state that all claims arising by virtue of the Contract have been paid in full with any exceptions listed on such affidavits.
- D. Final acceptance of the completed project will be upon final payment to the Contractor. Upon final acceptance, the workmanship and material warranty period will begin.

SECTION FIFTEEN

- C. Upon completion of Work, the Contractor will leave all ditches, channels, drains, pipes, structures and work, etc. in a clean and neat condition.
- D. The Contractor will remove all debris from any grounds that have been occupied by the Contractor and leave the roads and all parts of the premises and adjacent site affected by the Contractor's operations in a neat and satisfactory condition.
- E. The Contractor will restore or replace, when and as directed, any public or private property damage by the Contractor's work, equipment or employees to a condition at least equal to that existing immediately prior to the beginning of the operations.

SECTION SIXTEEN
Conditions Affecting the Work

A. The Contractor shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the Work and the general and local conditions which can affect the Work or the cost thereof. Any failure by the Contractor to do so will not relieve it from responsibility for successfully performing the Work without additional expense to the Town. The Town assumes no responsibility for any understandings or representations concerning conditions or anything related to this Contract, made by any of its officers or agents prior to the execution of this Contract, unless such understandings or representations by the Town are expressly stated in this Contract.

B. The Contractor has visited and inspected the Work Site and accepts the conditions at the Work Site as they eventually may be found to exist and warrants and represents that this Contract can and will be performed under such conditions, and that all materials, equipment, labor and other facilities required because of any unforeseen conditions (physical or otherwise) shall be wholly at the Contractor's own cost and expense, anything in this Contract to the contrary notwithstanding.

SECTION SEVENTEEN
Safety of Persons and Property

A. The following provisions are in addition to those pertinent sections contained in the standard specifications.

B. The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to:

(i) Employees on the Work Site and other persons who may be affected thereby; and

(ii) The Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's subcontractors or sub-subcontractors; and

(iii) Other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

C. The Contractor shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons or property or their protection from damage, injury or loss.

D. The Contractor shall erect and maintain, as required by existing conditions and performance of the Contract, reasonable safeguards for safety and protection, including posting and maintaining danger signs and other warnings against hazards as long as such hazards exist. The Contractor shall also promulgate safety regulations and notify owners and users of adjacent sites and utilities of all construction and related activities.

E. When use or storage of explosives or other hazardous materials or equipment or unusual methods are necessary for execution of the Work, the Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel.

F. The Contractor shall promptly remedy damage and loss (other than damage or loss insured under property insurance required by the Contract Documents) to property caused in whole or in part by the Contractor, a subcontractor, a sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible except damage or loss attributable to acts or omissions of the Town or anyone directly or indirectly employed by it, or by anyone for whose acts the Town may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Section 24, Indemnification, herein.

G. The Contractor shall designate a responsible member of the Contractor's organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Town.

H. The Contractor shall not load or permit any part of the construction or site to be loaded so as to endanger its safety.

I. In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's best discretion, to prevent threatened damage, injury or loss.

SECTION EIGHTEEN

Change Orders

One or more changes to the Work within the general scope of this Contract may be ordered by change order. The Town may also issue construction change directives, as set forth below. The Contractor shall proceed with any such changes, and same shall be accomplished in strict accordance with the following terms and conditions:

A. Change orders shall be submitted on the forms and pursuant to the procedures of the Town. Change order shall mean a written order to the Contractor executed by the Town after execution of this Contract, directing a change in the Work. A change order may include a change in the Contract Price, (other than a change attributable to damages to the Contractor for delay, which the Parties agree are not allowed under this Contract) or the time for the Contractor's performance, or any combination thereof. Where there is a lack of total agreement on the terms of a change order, the Town may also direct a change in the Work in the form of a construction change directive, which will set forth the change in the Work and the change, if any, in the Contract Price or time for performance, for subsequent inclusion in a change order.

B. Any change in the Contract Price resulting from a change order shall be determined by use of the Unit Prices set forth in the Contractor's bid.

C. The execution of a change order by the Contractor shall constitute conclusive evidence of the Contractor's contract to the ordered changes in the Work, this Contract as thus amended, the Contract Price, and the time for performance by the Contractor. The Contractor, by executing the change order, waives and forever releases any claim against the Town for additional time or compensation for matters relating to or arising out of or resulting from the Work included within or affected by the executed change order.

D. The Contractor shall notify and obtain the consent and approval of the Contractor's surety with reference to all change orders if such notice, consent or approval is required by the Town, the

Contractor's surety or by law. The Contractor's execution of the change order shall constitute the Contractor's warranty to the Town that the surety has been notified of, and consents to, such change order and the surety shall be conclusively deemed to have been notified of such change order and to have expressly consented thereto.

SECTION NINETEEN
Claims and Disputes

A. Definition. A Claim is a demand or assertion by one of the Parties seeking, as a matter of right, adjustment or interpretation of Contract terms, payment of money, and extension of time or other relief with respect to the terms of the Contract. The term "Claim" also includes other disputes and matters in question between the Town and the Contractor arising out of or relating to the Contract. Claims must be made by written notice. The responsibility to substantiate Claims shall rest with the Party making the Claim. Following all limits and procedures herein shall be a condition precedent to the Contractor's entitlement to any increased compensation from any claim.

B. Time Limits on Claims. Claims by either Party must be made within ten (10) business days after occurrence of the event giving rise to such Claim or within ten (10) business days after the claimant first recognizes the condition giving rise to the Claim, whichever is later. An additional Claim made after the initial Claim has been implemented by change order will not be considered.

C. Continuing Contract Performance. Pending final resolution of a Claim request for review of site conditions, request for information, or resolution of a dispute, unless otherwise agreed in writing the Contractor shall proceed diligently with performance of the Contract and the Town shall continue to make payments in accordance with the Contract Documents.

D. Waiver of Claims: Final Payment. The making of Final Payment shall constitute a waiver of Claims by the Town except those arising from:

1. Liens, Claims, security interests or encumbrances arising out of the Contract and unsettled;
2. Failure of the Work to comply with the requirements of the Contract Documents; or
3. Terms of special warranties required by the Contract Documents.

E. Claims for Additional Costs. If the Contractor wishes to make Claim for an increase in the Contract Sum, written notice as provided herein shall be given before proceeding to execute the Work. Prior notice is not required for Claims relating to an emergency endangering life or property arising under Section 17(I). If the Contractor believes additional cost is involved for reasons including but not limited to (1) an order by the Town to stop the Work where the Contractor was not at fault, (2) a written order for a minor change in the Work, (3) failure of payment by the Town, (4) termination of the Contract by the Town, (5) other reasonable grounds, Claim shall be filed in accordance with the procedure established herein.

F. Claims for Additional Time. See Section Five herein.

G. Injury or Damage to Person or Property. If either Party to the Contract suffers injury or damage to person or property because of an act or omission of the other Party, of any of the other Party's employees or agents, or of others for whose acts such Party is legally liable, written notice of such injury or damage,

whether or not insured, shall be given to the other Party within a reasonable time not exceeding Ten (10) Business Days after first observance. The notice shall provide sufficient detail to enable the other Party to investigate the matter. If a Claim for additional cost or time related to this Claim is to be asserted, it shall be filed as provided herein.

SECTION TWENTY
Damages

The Contractor agrees that if the Work, or any part thereof, is not completed within the time agreed upon in this Contract or any extension thereof, the Contractor or its sureties shall be liable to the Town in the amount specified below for each and every calendar day the completion of the Work is delayed beyond the calendar date in this Contract, as fixed and agreed liquidated damages and not as a penalty; and the Town shall have the right to deduct from and retain out of monies which may be then due or which may become due and payable to the Contractor, the amount of such liquidated damages; and if the amount so retained by the Town is not sufficient to pay in full such liquidated damages, the Contractor shall pay to the Town or its sureties the amount necessary to effect payment in full of such liquidated damages.

Any adjustment of the Contract time for completion of the Work granted in accordance with the provisions of this Contract will be considered in the assessment of liquidated damages.

Permitting the Contractor to continue and finish the Work or any part of it after the time fixed for its completion, or after the date to which the time for completion may have been extended, will in no way operate as a waiver on the part of the Town of any of its rights under this Contract.

SECTION TWENTY-ONE
Suspension of Work

The Town Administrator may order, in writing, the Contractor to suspend, delay, or interrupt all or any part of the Work for such period of time as he may determine to be appropriate for the convenience of the Town. The Town may suspend performance of its obligations under this Contract in good faith for the convenience of the Town or to investigate matters arising in the Work.

The Town Administrator may order suspension of the Work in whole or in part for such time as he deems necessary because of the failure of the Contractor to comply with any of the requirements of this Contract, and the Contract's completion date shall not be extended on account of any such suspension of Work.

When the Town Administrator orders any suspension of the Work under the paragraph above, the Contractor shall not be entitled to any payment for Work with respect to the period during which such Work is suspended and shall not be entitled to any costs or damages resulting from such suspension.

The rights and remedies of the Town provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

SECTION TWENTY-TWO **Modification of Contract**

The Town Administrator has the unilateral right to modify this Contract when the modification is in the best interest of the Town, provided however, the Contractor is given written notice of any such modification and the Town is responsible for paying Contractor for any additional expenses incurred by Contractor that relate to the modification. Subject to the above, the Contractor shall immediately notify the Town in writing of any proposed adjustment in its fee. The Contractor is obligated to perform the revised contract when so directed by the Town Administrator and the Town is obligated to pay for the work performed pursuant to the modification. No claim by the Contractor for an adjustment hereunder shall be allowed if asserted after Final Payment under this Contract.

SECTION TWENTY-THREE **Termination**

A. For Convenience

The Town Administrator, by advance written notice, may terminate this Contract when it is in the best interests of the Town. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually accomplished. The Contractor will not be compensated for any other costs in connection with a termination for convenience. The Contractor will not be entitled to recover any damages in connection with a termination for convenience.

B. For Default

If the Contractor refuses or fails to perform the Work or any separable part thereof in a timely or workmanlike manner in accordance with the Contract Documents, or otherwise fails, in the sole opinion of the Town, to comply with any of the terms and conditions of the Contract Documents deemed, in the sole opinion of the Town, to be material (including, without limitation, the requirement that Contractor obtain and maintain in force all necessary permits), such refusal or failure shall be deemed a default under this Contract.

In the event of a default under this Section, the Town shall have the right to terminate forthwith this Contract by written notice to the Contractor. In the event of such default, the advance notice period for termination is waived and the Contractor shall not be entitled to any costs or damages resulting from a termination under this section.

Whether or not the Contractor's right to proceed with the Work is terminated, it and its sureties shall be liable for any damage to the Town resulting from Contractor's default. Any wrongful termination for default shall be deemed by the Parties a termination for convenience.

C. Termination for Non-Appropriation of Funds

The Town Administrator, by written advance notice, may terminate this Contract in whole or in part in the event that sufficient appropriation of funds from any source (whether a federal, state, County or other source) are not made or sufficient funds are otherwise unavailable, in either case, to pay the charges under this Contract. If this Contract is so terminated, the Contractor shall be compensated for all necessary and reasonable direct costs of performing the Work actually provided to the date of such termination. The Contractor will not be compensated for any other costs in connection with a termination for non-appropriation. The Contractor will not be entitled to recover any damages in connection with a termination for non-appropriation, including, but not limited to, lost profits.

D. Rights Cumulative

The rights and remedies of the Town provided in this Section are in addition to any other rights and remedies provided by law or under this Contract.

SECTION TWENTY-FOUR
Indemnification

Except for expenses or liabilities arising from the negligence or intentional acts of the Town, the Contractor hereby expressly agrees to indemnify and hold the Town harmless against any and all expenses and liabilities arising out of the negligent performance, action or inaction of the Contractor in conduct of this Contract, as follows:

For matters other than those arising from the rendering or failure to render professional services, the Contractor expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, firm or corporation directly or indirectly employed by the Contractor and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage) that is suffered by the Town and/or its officers or employees or by any member of the public, to indemnify and save the Town and its officers and employees harmless against any and all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the negligence, action or inaction of the Contractor, regardless of whether such liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the Town. Such costs are to include, without limitation, defense, settlement and reasonable attorney's fees incurred by the Town and its employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the Town's

officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the Town submits notice, Contractor shall promptly defend any aforementioned action.

For matters arising out of the rendering or failure to render professional services, the Contractor will indemnify and save the Town and its officers and employees harmless from and against all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses arising out of or resultant from any negligent act, error or omission of the Contractor in the rendering or failure to render professional services under this Contract. Such costs are to include, without limitation, defense, settlement and reasonable attorneys' fees incurred by the Town and its officers and employees. This promise to indemnify shall include, without limitation, bodily injuries or death occurring to the Contractor's employees and any person, directly or indirectly employed by the Contractor (including, without limitation, any employee of any subcontractor), the Town's officers or employees, the employees of any other independent contractors, or occurring to any member of the public. When the Town submits notice of claim that triggers the indemnity, the Contractor shall promptly defend any aforementioned action at its own cost.

The limits of insurance required in this Contract shall not limit the Contractor's obligations under this Section. The terms and conditions contained in this Section shall survive the termination of the Contract or the suspension of the Work hereunder. To the extent that any liabilities, penalties, demands, claims, lawsuits, losses, damages, costs and expenses are caused in part by the acts of the Town, the Contractor's obligations shall be reduced in proportion to the Town's fault. The obligations herein shall also extend to any actions by the Town to enforce this indemnity obligation. The recovery of costs and fees all extend to those incurred in the enforcement of this indemnity.

SECTION TWENTY-FIVE **Gratuities and Kickbacks**

Gratuities. It shall be unethical for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation or any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter pertaining to any program requirement of a contract or subcontract, or to any solicitation or proposal therefore.

Kickbacks. It shall be unethical for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor, or to hire any subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.

Violation of this clause may result in Contract termination.

SECTION TWENTY-SIX **Labor: Subcontractors: Employment Consideration**

The Contractor shall not contract with a proposed person or entity to whom the Town has made reasonable and timely objections. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable and timely objection.

The Contractor assumes the responsibility for assuring that its working forces are compatible with other forces on the job, and the Contractor is responsible for making himself aware of those forces. The Contractor will furnish a competent representative who is to be kept available to the site to represent the Contractor for the purpose of receiving notices, orders and instruction.

SECTION TWENTY-SEVEN
Other Contracts

The Town reserves the right to undertake or award other contracts for additional work/services, and may elect to complete portions of the work/services included in this Contract using its own forces or through other contracts, and the Contractor shall fully cooperate with such other contractors, Town employees and carefully fit its own work/services to such work/services as may be directed by the Town. The Contractor shall not commit or permit any act by its forces or subcontractors which will interfere with the performance of work/services by any other contractor or by Town and or Department employees.

SECTION TWENTY-EIGHT

WHEREAS, the Contractor has entered a Contract with the Town and is required under the terms of Contract # _____ (hereinafter the "Contract") to provide a bond for the faithful performance of the Contractor's obligations under the Contract; and

WHEREAS, the Contractor has by written agreement dated _____ 20__, entered into a Contract with the Town for _____ in accordance with the Scope of Work (the "Work") identified in the Contract which Contract is incorporated herein by reference and made a part hereof; and

WHEREAS, the Surety agrees that if the Contractor fails to perform the Work then it will complete and properly perform the Contract subject to the terms and conditions set forth herein.

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that, if Contractor shall promptly and faithfully perform said Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

SECTION I. DUTY TO PERFORM

The Surety hereby waives notice of any modifications, alterations, or extensions of time made by the Town whether unilateral or by mutual consent. No extension of time, change, alteration, modification, deletion, or addition to the Contract, or of the Work required therein shall release or exonerate the Surety on the Bond or in any way affect the obligations of the Surety on this Bond.

Whenever the Contractor shall be, and declared by the Town to be in default under the Contract, the Town having performed the Town's obligations thereunder, the Surety may promptly remedy the default, or shall promptly elect one of two options. The Surety may elect Option 1 and complete the Contract in accordance with its terms and conditions. If the Surety selects Option 1, it may perform and complete the Contract itself, through its agents or through independent contractors; provided however, that the Surety may not select the Contractor as its agent or independent contractor without the Town's consent. If Option 1 is selected, the Town may withhold consent to the selection of the option in its sole discretion, in which case the Surety must select Option 2. Notwithstanding the provisions of Option 1, the Surety may elect Option 2 and obtain a bid or bids for completing the Contract in accordance with its terms and conditions.

Upon determination by the Surety of the lowest responsive and responsible bidder, or, if the Town elects, upon determination jointly by the Town and the Surety of the lowest responsive and responsible bidder, the Surety shall arrange for a contract between such bidder and the Town under the same terms and conditions for the performance and completion of the Contract, and/or in the sole discretion of the Town in substantially similar under the same terms and conditions for the performance and completion of the Contract. The new contract must be secured with a performance bond executed by the new vendor and a qualified surety equivalent to the bond issued on the initial Contract.

SECTION II. FINANCIAL OBLIGATIONS

The Surety agrees to make available as Contract Work progresses (even though there should be a default or a succession of defaults under the Contract or contracts of completion arranged under this Performance Bond) sufficient funds to pay the cost of completion of the Contract or successor contracts. The Performance Bond Amount shall cover all costs invoiced by third party vendors to the Town that exceed the cost in the Contract (to include phases) or costs already paid by the Town to Contractor, but not exceeding the Performance Bond Amount (excluding other costs and damages for which Surety may be liable hereunder).

The Surety's monetary obligation under this Bond is limited to the Performance Bond Amount identified herein, except as otherwise provided. In the event the entire Contract Price has been paid in whole or in part by the Town and the Work is determined to be incomplete or defective in accordance with the terms of the Contract, the Surety is obligated to complete the Contract in an amount not to exceed the Performance

Bond Amount, except as provided herein. Subject to these limits, the Surety's obligations under this Bond are commensurate with the obligations of the Contractor under the Contract. The Surety's obligations shall include, but are not limited to:

- A. The responsibilities of the Contractor to complete the Contract and/or to correct defective work;
- B. The responsibilities of the Contractor to pay damages under the Contract; and
- C. The cost of additional professional fees, and costs for all delays resulting from Contractor's default, and resulting from the Contractor's or Surety's actions or failure to act.

SECTION III. RIGHTS AND REMEDIES

If the Surety does not proceed as indicated herein within ten (10) days after receipt of written notice from the Town to the Surety demanding that the Surety perform its obligations under this Bond, then the Surety shall be deemed to be in default on this Bond. At all times, the Town shall be entitled to enforce any remedy available to the Town under the laws of South Carolina.

Any suit under this Bond must be instituted before the expiration of two (2) years from the date on which final payment under the Contract falls due and is paid.

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the Town named herein or the heirs, executors, administrators or successors of the Town.

SECTION IV. GENERAL PROVISIONS

If any term or condition of this Performance Bond or the application thereof to any person(s) or circumstances is held invalid, this invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition, or application. To this end, the terms and conditions of this Bond are declared severable.

This Performance Bond shall be governed by the laws of the State of South Carolina and any and all disputes arising out of this Bond shall, if it cannot be resolved without litigation, be litigated only in a non-jury hearing.
