 - A. Invoices from Erin - "Just got an invoice from Erin. She really doesn't like making invoices and I think maybe one reason is that she is not sure what to charge. Can we discuss this at next meeting? Maybe we can suggest a value for each type of work she does. If she approves, then we will all know exactly what she'll be paid. All she'll need to do is list the work and do the math." MB email
 - B. There is an empty spot on the NW corner of Harbor View. The project took down a huge tree and never replaced it. We have been able to locate donated trees in the past and perhaps this would be a good spot. MB

- C. Following the Arbor Day celebration at the middle school, we discussed the possibility of continuing the beautification of their campus by planting flowers. Seemed to be interest at the time, but wrong time of year If we have time, we can see if there is still interest in doing that now.MB
- D. High school participation
- E. Discussion: swag
 - 1. Quotes for various swag - hats, bags, tshirts, something else
