Comments

Small fenced dog park

Keep natural; Trails; Good buffers

A low impact kayak launch; Bike Racks

Passive; no noise; Preservation; Safety; Protection of wetlands; Educate without destruction

No amphitheatre; Go small and first class in phase 1 instead of half-cocked in a grandiose phase 1;

No marsh intrusion; No loud activities such as music amphitheatre; No dock due to noise/safety

Natural area for bird watching/butterflies; Interpretive signs and viewpoints; keep meadow/marsh edge intact;

Small picnic area with bathroom/ drinking water; Small dock for looking into the water;

Please minimize mowed lawn; Prefer no amphitheatre.

Natural Paths; Interpretative Signage

Indigenous plantings; No overworked/garish stuff (red mulch, too much in way of perennials, etc) Minimal lighting, no good for neighbors or wildlife.

Adequate/more than adequate natural buffers between park and neighbors.

Central to property; Ingress/Egress (away from property lines)

Picnic Tables; Small overlook; Crab dock central to park along marsh.
