

A RESOLUTION REGARDING PROPOSED "GATHERING PLACE" ZONING ON JAMES ISLAND

Whereas, the ground has already been cleared for the first "Gathering Place" on James Island;
and

Whereas, property near the intersection of Folly and Grimball Road is zoned for a second
Gathering Place; and

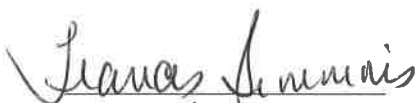

Whereas, these "Gathering Places" will greatly increase the amount of traffic and congestion on
both the primary and secondary roads of James Island;

Now Therefore, Be it Resolved that the Town of James Island wishes to share its concern
regarding these developments in the City of Charleston and requests that it reconsider the
utilization of this excessively dense zoning district on James Island. Furthermore, the Town
invites the City of Charleston to join us in collaborative planning to better achieve our shared
desire to protect the quality of life for all residents of James Island.

Adopted this 20th day of March, 2014.
