

Neighborhood Council Minutes  
April 25, 2024

Co-Chair Steven Shapiro called the April meeting of the James Island Neighborhood Council to order at 7:00 P.M. Chairman Shapiro indicated that it would be advisable for there to be two member representatives for each neighborhood. This would likely ensure that we would have at least one representative at most meetings.

Mayor Brook Lyon gave an update on the happenings in the Town. The Mayor spoke about the budget process, the Dills Bluff property, and the fact that the flower beds at Town hall had recently gotten a needed facelift. She also reminded everyone that there is an upcoming Town Market, which the Town staff will be managing for the first time.

Melissa Flick and Keith LaDeaux gave a presentation on drainage issues. They gave an update on existing drainage projects as well as the upcoming Woodhaven project. Problems with drainage ditches and culverts were also discussed. After the presentation Melissa and Keith took questions.

There was a brief group discussion.

Our next meeting will be on May 23 at 7:00 P.M.

Co-Chair Shapiro adjourned the meeting at 8:00 P.M.
